Does your child have health care coverage through CHIP or Medicaid?

The 2020 Census directly impacts these programs, so we need to make sure we count all children in PA to get the funds we deserve:

- Over **$800 billion** a year in federal funds are at stake.
- Pennsylvania lost **$44 million** in federal funding by not counting all children in the 2010 Census.
- **Loss per program:**
  Medicaid: $210 million
  CHIP: $3.5 million

Take care of your child's health care.
ASK YOUR DOCTOR ABOUT THE 2020 CENSUS!

If there is a child living in your home on April 1, 2020, that kid counts!
