EXHIBITOR OPPORTUNITY

2020 Pediatric Conference Presented by Pennsylvania Chapter, American Academy of Pediatrics

Dear Colleagues,

We are very excited to inform you that the Pennsylvania Chapter of the American Academy of Pediatrics is hosting our statewide pediatric CME conference on March 28 and 29 at the Gettysburg Hotel in Gettysburg, PA! The **2020 Pediatric Conference** will represent an opportunity for pediatricians and other pediatric practitioners from across the state to come together to learn and network with each other. We have a very exciting agenda with timely topics.

We would like to invite you to be an exhibitor at the **2020 Pediatric Conference**. With 2300 members in the Pennsylvania Chapter, we are anticipating around 200 attendees. We hope you will consider this an opportunity to share information about your program or product with pediatric practitioners from across the state.

Full conference details and a registration link will be shared out in early 2020.

Exhibit fees are included in the attached **Exhibitor Agreement**. **For non-profit organizations or government entities, we are pleased to provide a reduced exhibitor fee of \$150.**

Table space will be located near the meeting room. **Exhibitors are welcome to stay for the duration of the program, although no sales activity may occur in the meeting room of the CME program. Exhibitors are welcome to exhibit on both days, March 28 and March 29.** Please review the attached **Exhibitor Agreement** for more information.

A signed Exhibitor Agreement must be received by Pennsylvania Chapter, American Academy of Pediatrics by the dates shown EVEN IF PAYMENT DOES NOT ACCOMPANY so we may plan accordingly. Once a signed Exhibitor Agreement is received, a detailed confirmation letter will be generated, which will include all of the important details needed to plan for the event.

Should you have any questions please contact Samantha Pierpoint at spierpoint@paaap.org or by phone at (484) 446-3038.

We greatly appreciate your interest and hope to see you at this conference!

Sincerely,

Annette Myarick
Executive Director
